Promoting Positive
Mental Health

WE GOT IT!
THE AMBER
FLAG

Brilliant News to Share with You!!

Last September a hardworking committee got together to work towards achieving an Amber Flag for our school. The whole school got behind them and worked with them to promote Positive Mental Health in our school.

I am now delighted to inform you that we have been awarded with the Amber Flag! Hooray!!!

The Pieta House Amber Flag Team complimented us on our application and even said that they found our application to be ‘*an outstanding initiative promoting positive mental health*’

They also said that they ‘*were truly overwhelmed with the amazing initiatives being run in our school!*’

And all of that is down to your commitment and your desire to promote positive mental health in our school! We are so proud of all of you!

Well done everyone!! Maith sibh!!!
